

City of Gunnison RFP

E-mail Archive System

The City of Gunnison is requesting proposals for the purchase of an E-Mail archival system Barracuda MA350 or similar. System must be able to handle 150 users/mailboxes and 2Tb data storage. City's archival policy is 1 year minimum for email depending on type of document. System must support customized retention rules and ability to apply litigation holds on specific information. System must work with our Microsoft Exchange 2010 server and accept/index/archive all messages processed through the Exchange server.

Pricing must include:

1. On-site appliance (software and hardware).
2. 5 year – Software updates and customer support on the system (Similar/same as Barracuda Energize Update Service).
3. 5 year – Hardware warranty (Similar/same as Barracuda Instant Replacement).
4. 5 year – Mirrored Cloud Storage.

Proposals must be received by Monday Feb. 8, 2016 - 4pm local, delivered to:

City of Gunnison
Attn: IT Dept
201 W. Virginia Ave.
Gunnison CO 81230.
